

## PE & SCHOOL SPORT FUNDING STATEMENT 2021/22

The primary school sport premium is £150 million per annum of government funding jointly provided by the Departments for Education, Health and Culture, Media and Sport. Investment will go direct to individual primary schools and is designed to support improvements in the quality and depth of PE and school sport in addition to the curriculum.

The Department for Education vision is that all pupils leaving primary school are physically literate and have the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport. The objective is to achieve self-sustaining improvement in the quality of PE and sport that delivers high quality provision of a balanced and holistic PE and school sport.

Areas to develop include;

- The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
- The profile of PE and sport being raised across the school as a tool for whole school improvement
- Increased confidence, knowledge and skills of all staff in teaching PE and sport
- Broader experience of a range of sports and activities offered to all pupils
- Increased participation in competitive sport

Hilltop Primary Academy receives £19600 which we use to support these outcomes through various options including; release of staff for CPD, employing specialists to work alongside teachers, work with other schools and partnerships, transport, equipment and to support the provision of sport.

Action	Cost	Aim & outcomes	Impact
Non teaching PE teacher	£10,000 Salary contribution towards PE Coach	<ul style="list-style-type: none"><li>• Improve the quality of teaching in PE</li><li>• Deliver constant CPD/Lesson support programme to enhance class teacher's</li></ul>	Physical Education & School Sport has dramatically improved at the academy.
